

## 2025 Periodic Update Workshop Series

### Register Now for the Housing Workshop!

**When:** Wednesday, July 19, 2023 from 10am – Noon

**Where:** Register online [via Zoom](#)

Commerce is partnering with the Thurston Regional Planning Council and the Municipal Research and Services Center (MRSC) to bring you workshops that support jurisdictions with periodic updates due in 2025, as required under RCW 36.70A.130. This housing workshop will cover:

- Changes to the housing element and CPPs
- Allocation and land capacity
- Adequate provisions for housing needs
- Racially disparate impacts
- Tools and resources

**This year's workshop series focuses on those jurisdictions due in 2025, but all jurisdictions are welcome to attend! Future workshop series' will be held for 2026 and 2027 jurisdictions.**

Each workshop in the series will feature a different periodic update topic in-depth. Stay tuned to the [periodic update webpage](#) for more information, previous session materials and registration.

**Questions?** Contact Suzanne Austin at [Suzanne.Austin@commerce.wa.gov](mailto:Suzanne.Austin@commerce.wa.gov)

The primary audience for this series are the planners, consultants and staff most involved with comprehensive planning. However, elected officials, planning commissioners and others with a role in the planning process are also welcome to attend.
